

JANUARY 2010

Winter Special

Beth is offering a 2 for 1 special if you bring in a friend. You may split the total cost, or pay full price and your friend (new client) gets her first treatment for free as a gift. You decide how to use it, but you must come in together. Please feel free to check my website for any new specials you may be interested in for the future, or contact me by email, phone or text.

Thank you and enjoy the holidays and New Year!
